Some things do

I fail truth

Some things do

This fucking radio doesn't even ever work

Nothing coming through but static from the earth

There's parts inside

That are despised

I fail truth

Some things do

I fail truth

Some things do

I find these things are made with little realised

I find they fall apart after a few days of life

Let parts divide

And get revised

I fail truth

Some things do

I fail truth.
