Woah, mama catch a little fishy, Papa catch two
Well, back in the bayou it's-a fishin' time
Workin' together on a bottle of wine
We'll go down to Thibodeaux tonight

****Chorus****

Go roun', go roun', lil' Alice Bluegown
We'll soon be together on the bayou sundown
We'll jaw jambalaya, and sing all night long
Me and my baby and a cajun love song

Now I can remember when Alice first came
From Lake Charles to see me at Ponchettrain
But my heart beats slower when she not around
The best things in life not the same

****Chorus****

Go roun', go roun', lil' Alice Bluegown
We'll soon be together on the bayou sundown
We'll jaw jambalaya, and sing all night long
Me and my baby and a cajun love song

Sometimes I get lonely and I'm hurtin' inside
When my Alice can't understand
Like a dancer I saw in New Orlean' one time
She makes me feel just like a man

****Chorus****

Go roun', go roun', lil' Alice Bluegown
We'll soon be together on the bayou sundown
We'll jaw jambalaya, and sing all night long
Me and my baby and a cajun love song

****instrumental****

****Chorus****

Go roun', go roun', lil' Alice Bluegown
We'll soon be together on the bayou sundown
We'll jaw jambalaya, and sing all night long
Me and my baby and a cajun love song
