I had a friend named Camble, eat, cheat and steal and  
gamble

And I guess he tried most ever' thing low down  
He was out tomcattin' one night when he started a  
great big fight

Then a big policeman came and snapped him down

He's in the jailhouse now, he's in the jailhouse now  
I told him once or twice to quit drinking gin and shootin'  
dice

He's in the jailhouse now

A-yodeleyie, yodeleyie, oh-ohohdeleyie  
A-yodeleyie, odiyodeleyie, e-iyodeleyie

Old Bill broke out one day, I guess he thought he'd get  
away

But at the railroad station they took him by the arm  
The chief said, "I've come for you", and Bil said, "Now  
this won't do

Because Bill Camble never was my name"

He's in the jailhouse now, he's in the jailhouse now  
Oh yes, he broke out and all over town the fool walked  
about

He's in the jailhouse now

Then I met Bill's old gal Sadie and she said  
"Have you seen my baby?"

And I told her he was down town in the can  
Little Sadie she started fussin'

She went down to the jailhouse a-cussin'  
She says, "I come down here to get my man"

She's in the jailhouse now, she's in the jailhouse now  
So you can understand why little old Sadie got throwed  
in the can

She's in the jailhouse now

I went out last Tuesday, met a sweet little gal named  
Suzie

I'd say she was the sweetest thing around

She started to callin' me honey and we began to spent  
my money

Then we got drunk and thought we owned the town

We're in the jailhouse now, we're in the jailhouse now

Next day we wanted to go but that old jailer he said,  
"No"

We're in the jailhouse now

A-yodeleyie, yodeleyie, oh-ohohohdeleyie

A-yodeleyie, odiyodeleyie, a-ohiyodeleyie
