Somewhere over the rainbow  
Up in the sky  
Birds fly over the rainbow  
Why, didn't know why, can I

Birds fly over the rainbow  
Way up in the sky, oh, tell me why  
Of all the little blue birds flying over the rainbow  
Why, didn't know why, can I

But someday I'll wish upon a star  
Wake up with the clouds are far behind me, hey  
Well, troubles build like lemon drops  
Way above the chimney tops  
That's where you find me

Somewhere over the rainbow  
Up in the sky, well, tell me why  
Of all the little blue birds flying over the rainbow  
Why, didn't know why, tell me why, didn't know why  
Why, didn't know why, can I
