You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away

The other night dear as I laid sleeping
I dreamed I held you by my side
When I awoke dear I was mistaken
And I hung my head and cry

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away

You told me once dear, you really loved me
And no one else could come between
But now you've left me and you love another
You have shattered all my dreams

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away

I'll always love you and make you happy
If you will only say the same
But if you leave me to love another
You'll regret it all some day

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away
Please don't take my sunshine away
