Say you gotta leave. 5 more minutes, 5 more minutes  
baby, 5 more minutes  
Say you gotta go, working over 5 all I need is 5 more  
minutes of your time

(Chorus)

Hate when the seconds fly when I'm with the one I love,  
that's you, that's  
You  
I savor every single touch that's why I'm feeling you so  
much, it's true  
That you

Your kiss is so sweet, you got me saying please stay  
open, open without me

I seen you look at your void, swear I'll get more  
Stay open, open without me, ooh ooh ooh ooh ooh ooh  
(yeah you make me go)  
Ooh ooh ooh yeah ooh ooh ooh (yeah you make me go)  
ooh ooh ooh ooh 24-7

Red eyes in the morning, staying up all night  
I'm talking to you on the phone yeah you think I've had  
a red up fly

You think am an addict, but you my only habit  
When it comes to you, girl I gotta have it

Hate they way the seconds fly, when I'm with the one I  
love, that's you  
That's you  
I savor every single touch that's why I'm feeling you so  
much, it's true  
That you

Your kiss is so sweet, you got me saying please, stay  
open, open without me  
I seen you look at your void, I swear I'll get you more  
Stay open, open without me, ooh ooh ooh ooh ooh ooh

(yeah you make me go)  
Ooh, ooh, ooh yeah ooh, ooh, ooh yeah you make me  
go ooh ooh, ooh, ooh 24-7
