#### Verse 1

Age ain't nothin  
You aint seen (sayin?) nothin  
Girl I know I'm young but I can teach you somethin  
I ain't tryna rush it  
And no I aint just crushin  
But girl I'm tryna lock you down down, straight cuffin

#### Hook

Ooh you bad  
Ooh you bad

#### Bridge

I'm tryna tell you that I'm young but I'm ready  
You just gotta let me show me how them young boys do  
You don't want a man that presses?  
I don't think you get it  
Baby all I want is you

#### Hook

Ooh you bad  
Ooh you bad  
And I want you to be mine girl

#### Verse 2

Anything you want  
I can get you that  
I be workin out on my pocket stack?  
Where you wanna go  
I Can get you there  
Anywhere you are  
Girl I'll be right there

#### Hook

Ooh you bad  
Ooh you bad

#### Bridge

I'm tryna tell you that I'm young but I'm ready  
You just gotta let me show me how them young boys do  
You don't want a man that presses?

I don't think you get it  
Baby all I want is you

Ooh you bad  
Ooh you bad  
And I want you to be mine girl
