[Verse 1:]

Some say I'm like a broken record skip,
Skip right back to the day I met her
I forget her eyes, same thing
that gets me every time yeah
The whole world saying I could do better
But I can't help but feel she's the best so
I give her more and more she gives me less so
I don't know how she got me so attached

[Hook:]

Here's my solution,
I goin, I've been losing
I gotta keep it moving
Cause right here is not where I'm supposed to be
Imma run and I'll never come back [x2]
Broken heart in my louis backpack, broken heart in my
louis
Imma run and I'll never come back, back
Shawty how you do me like that that, this time girl I
won't look back

[Verse 2:]

Don't sweet talk me with sorries and apologies
I know you begging me to stay but I gotta leave
Can't breathe the same air as you ohh
But your smile, oh your smile
makes you tough for me to walk away, but I can't stay

[Hook:]

Here's my solution,
I goin, I've been losing
I gotta keep it moving
Cause right here is not where I'm supposed to be oh
Imma run and I'll never come back [x2]
Broken heart in my louis backpack, broken heart in my
louis louis
Imma run and I'll never come back, back
Shawty how you do me like that that, this time girl I
won't look back

If I, I, I turn back I'll turn into stone,
I'm going away-ay-ay, I'm never coming home
(yeah)Turning into you, (yeah)turning into you,
(yeah)turning into you, (yeah)and turning into you oh,
(eh)running into you, (eh)running into you, (eh)running
into you, (eh)risk running into you ohh ooh eh

Imma run and I'll never come back [x2]
Broken heart in my louis backpack, broken heart in my
louis
Imma run and I'll never come back, back
Shawty how you do me like that that, this time girl I
won't look back [repeat x2]
