When you're weary
Feeling small
When tears are in
Your eyes
I will dry them all
I'm by your side
When times get rough

And friends just can't be found
Like a bridge over troubled water
I will lay me down

Sail on silvergirl
Sail on by
Your time has come to shine
All your dreams are on their way
See how they shine
Oh, well, if you need a friend

I'm sailing right behind
Like a bridge over troubled water
I will ease your mind
Like a bridge over troubled water
I will ease your mind
Your mind
