Ooh ooh  
Ooh  
What if I told you it was all meant to be (eeee)  
Would you believe me, would you agree  
It's almost that feeling that we've met before  
So tell me that you don't think I'm crazy  
When I tell you love has come here and now

A moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss.  
Ohh, I can't believe it's happening to me  
Some people wait a lifetime  
For a moment like this

Everything changes, but beauty remains  
Something so tender I can't explain  
Well I may be dreaming but till I awake  
Can we make this dream last forever  
And I'll cherish all the love that we share

A moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
Ohh!  
I can't believe it's happening to me  
Some people wait a lifetime  
For a moment like this  
Could this be the greatest love of all  
I wanna know that you will catch me when I fall  
So let me tell you this  
Some people wait a lifetime for a moment... like this!

Some people wait a lifetime for a moment like this  
Some people search forever for that one special kiss  
Ohh, I can't believe it's happening to me  
Some people wait a lifetime for a moment like this  
A moment like this!

For that one special kiss

Oooohhhh i can't believe it's happening to me  
Some people wait a lifetime for a moment like this  
A moment like this
