Ooooooooooh
Ooooooooooh

Can you feel me, when i think about you
With every breath I take
Every minute
No matter what I do
My world is an empty place

Like I've been wonderin' the desert
for a thousand days (ooh)
Don't know if it's a mirage
But I always see your face, Baby

(Chorus)
I'm missin' you so much
Can't help it, I'm in love
A day without you is like a year without rain
I need you by my side
Don't know how I'll survive
A day without you is like a year without rain
oh ,whoa ohohoh ohohoh

The stars are burnin'
I hear your voice in my mind (in my mind oh)
Can't you hear me callin'
My heart is yearnin' like the ocean that's runnin' dry
Catch me I'm fallin'

It's like the ground is crumblin' underneath my feet
(Won't you save me?)
There's gonna be a monsoon when you get back to me
Oh Baby

(Chorus)
I'm missing you so much
Can't help it I'm in love
A day without you is like a year without rain
I need you by my side (side)
Don't know how i'll survive (I'll survive)
A day without you is like a year without rain

Oh, whoa, ohohoh ohohoh

So let this drought come to an end
And make this desert flower again
I'm so glad you found me
Stick around me
Baby, baby, baby ooh

It's a world of wonder with you in my life
So hurry baby don't waste no more time
I need you nearer, I can't explain
But a day without you
Is like a year without rain
Oh, whoa

(Chorus)
I'm missing you so much
Can't help it I'm in love
A day without you is like a year without rain
I need you by my side (my side)
Don't know how i'll survive
A day without you is like a year without rain
Oh, whoa, ohohoh ohoh
Whoooo
Ooooooooooh (whooh ooh ooh)
Ooooooooooh
