When I was young  
I never needed anyone  
And making love was just for fun  
Those days are gone

Living alone  
I think of all the friends I've known  
When I dial the telephone  
Nobody's home

All by myself  
Don't wanna be  
All by myself  
Anymore

All by myself  
Don't wanna live  
All by myself  
Anymore

Hard to be sure  
Sometimes I feel so insecure  
And loves so distant and obscure  
Remains the cure

All by myself  
Don't wanna be  
All by myself  
Anymore

Ooooooh...

All by myself  
Don't wanna live  
All by myself  
Don't wanna be  
By myself, by myself  
Anymore
