I was so in love with you  
There was nothing I could do  
Wouldn't give me the time of day  
Now you wanna be with me

You say you wanna be with me  
You said I was the best  
Gave your love out to the rest  
There was nothing I could say  
But now it's going good for me  
You say you wanna be with me .. Now

And you're telling me  
That I am were it's at  
But I ain't having none of that

Because I told you, you'd live to regret it  
And now I don't wanna make you feel bad  
But when it comes to me just forget it  
I'll be the best you never had  
You put me through so many emotions  
Now baby it's your turn for that  
Cause in your empty heart  
I have left a mark  
The best you never had

No, No, No

You saw me as a friend  
Baby I don't want revenge  
But if you must know the truth  
What you didn't see in me  
Reflects what you'll never be now  
When you're telling me I was always the one  
I feel your desperation

Because I told you, you would live to regret it  
Now I don't wanna make you feel bad  
But when it comes to me just forget it  
I'll be the best you never had  
You put me through so many emotions

Now baby it's your turn for that  
Cause in your empty heart  
I have left a mark  
The best you never had

Back rubsâ€¦ Good loveâ€¦.My stuff  
That's what you missed out on  
My touchâ€¦ soo much we could've had  
baby  
You miss  
My kiss  
My lips  
The love I had for you  
Our song so long,  
baby dont it make you sadâ€¦

Because I told you, you would live to regret it  
Now I don't wanna make you feel bad  
But when it comes to me just forget it  
I'll be the best you never had  
You put me through so many emotions  
Now baby it's your turn for that  
Cause in your empty heart I have left a mark  
The best you never had

Because I told you, you would live to regret it  
Now I don't wanna make you feel bad  
But when it comes to me just forget it  
I'll be the best you never had  
You put me through so many emotions  
Now baby it's your turn for that  
Cause in your empty heart I have left a mark  
The best you never had

Well I will always be the best you never had

The best you never had
