What am I fighting, afraid of losing?  
It's like I'm not in control.  
I'm watching myself,  
I'll die thinking you won't be around.  
You know you got my heart on lock,  
and even if I were to run, I can't go

Chorus

Go oh; I don't want to go oh  
Gotta let it go oh, I don't wanna go, I can't breathe  
Without you I get weak,  
and I can't breathe,  
and I can't breathe  
And I can't breathe without you with me and I can't  
live,  
and I can't live without you, I can't  
Breathe and I can't breathe,  
and I can't breathe without you with me and I can't  
live here and I can't  
live without you.

Maybe I make believe,  
you're no different,  
but you got me in love,  
Don't wanna be alone again,  
oh no! cannot function ,without you here,  
my indecisions and all my fears  
get higher higher day by day, higher higher but I  
can't go

Chorus

oh  
It's just not fair that, oh  
I'm lost in your love that I just can't breathe, just  
can't breathe.  
I'm coming up, coming up for a breath(x4)

Chorus
