What am I fighting?
Afraid of losing
It's like I'm not in control
I'm watching myself out
I'm, thinking that you won't be around
You know you got my heart on lock
And even if I wasn't gone
I can't go on

(Your Love)
I don't want it
(Your Love)
I don't want it
(Your Love)
I don't want it
(Your Love)
I can't breathe...
Without you I can't breathe...

And I can't
Breathe...
And I can't
Breathe...
And I can't breathe
Without you here
And I can't breathe, and I can't live with you (x2)

I can't make the leave
Your not different
But you got me in love
Don't wanna be alone again (Oh no)
I cannot function without you here
I've made decision, to know my fears
Cause I go higher, higher (Day by day)
Higher, higher
Cause I can't go

(Your Love)
I don't want it
(Your Love)
I don't want it
(Your Love)

I don't want it
(Your Love)
I can't breathe... (without you)
Without you I can't breathe... (without, without)

And I can't
Breathe...
And I can't
Breathe...
And I can't breathe
Without you here
And I can't breathe, and I can't live with you (x2)

I can't go...
It's just not fair no
(Oooh)
The rest of your world
And I just can't breathe (just can't breathe)
Just can't breathe...

I'm coming up, coming up, up, up (x4) (up, up)

And I can't
Breathe...
And I can't
Breathe...
And I can't breathe
Without you here
And I can't breathe, and I can't live with you (x2)

I can't
Breathe... breathe...
