Chiquitita
Tell me what's wrong
You're enchained by your own sorrow
In your eyes there is no hope for tomorrow

How I hate to see you like this
There is no way you can deny it
I can see that you're, oh, so sad, so quiet

Chiquitita
You and I know
How the heartaches come and they go and the scars
they're leaving
You'll be dancing once again and the pain will end
You will have no time for grieving

Chiquitita
You and I cry

But the sun is still in the sky and shining above you
Let me hear you sing once more like you did before
Sing a new song
Chiquitita

So the walls came tumbling down
And your love's a blown out candle
All is gone and it seems too hard to handle

Oh, chiquitita, you and I cry
But the sun is still in the sky and shining above you
Let me hear you sing once more like you did before
Sing a new song
Chiquitita
