Come come come come
Run run run run
I'll meet you halfway
What do you say?
Paper thin was my heart
'Till you tore it apart
Now I'm a weak strong heart

Belongs to no one
No one belongs to me

So,
Come come come come
Run run run run
You know it ain't much fun
Chasing after you hon
So forget about you and me
The remains are too delicate to see
And I only wanted to hear your name

Dance through my window
Like sun stretched across my bed

Pull me away
You keep on pulling me away

Come come come come
Run run run run
It's more dizzy than fun
Chasing after the warmth of the sun

And I know I will survive
What don't kill you only makes you more alive
And I hate to hear them say
Time will heal you
Steal you from fear
To ever love again

You keep on pulling me away

Oh oh oh

Pull me away
You keep on pulling me away
