Oh, baby
It's been so long
I've waited so long
And now
That I have you
I want you to come
Come, come, come
Into my arms
Oh, baby
I need you
I need you
Come, come, come
Into my arms again

Spirits move me
Every time
I'm near you
Whirling like a cyclone
In my mind
Oh sweet Peter
Angel of my lifetime
Answer to all answers
I can find

Baby, I love you
Come, come
Come into my arms
Let me know
The wonder of all of you
Baby
I want you now, now
Now, and hold on fast
Could this be
A magic at last?

Baby, take me high
Upon a hillside
High up where the stallion
Meets the sun
I could love you
Build my world around you
Never leave you

Till my life is done

Baby
I love you
Come, come
Come into my arms
Let me know
The wonder of all of you
And baby
I want you now, now
Oh now, oh now
And hold on fast
Could this be
A magic at last?
Baby
I want you
Come, come

Now come
And hold on fast
Could this be
A magic at last?
Could it be magic?
Yeah
Hold on
Come into my arms
Could this be
A magic at last?
Could it be magic?
Come, c'mon, c'mon, hey
Come into my arms
Oh, let me know
The wonder of all of you
Baby
I want you
Now, now
Oh, now
Oh, now
And hold on fast
Oh
Could this be
The magic at last?
Could it be the magic?

Oh, hold on to me
Don't let go
Come into my life
Don't let go
Oh
