You were my sun, you were my earth  
You didn't know all the ways I loved you, no  
So you took a chance, and made other plans  
I bet you didn't think that they would come crashing  
down, no

You don't have to say, what you did  
I already know, I found out from (him)  
Now there's just no chance, for you and me, there'll  
never be  
And don't it make you sad about it

You told me you loved me  
Why did you leave me, all alone (all alone)  
Now you tell me you need me  
When you call me, on the phone (yeah)  
Girl, I refuse, you must have me confused  
With some other guy  
Your bridges were burned, and now it's your turn  
To cry, cry me a river  
Cry me a river  
Cry me a river  
Cry me a river, yea yea

I know that they say that some things are better left  
unsaid  
But it wasn't like you only talked to him and you know it  
(Don't act like you don't know it)  
And all of these things people told me, keep messing  
with my head  
(Messing with my head)  
You should've picked honesty then you may not have  
blown it

You don't have to say, what you did  
I already know, I found out from him  
Now there's just no chance, for you and me, there'll  
never be  
(No chance, you and me)  
And don't it make you sad about it

You told me you loved me  
Why did you leave me, all alone (all alone)  
Now you tell me you need me  
When you call me, on the phone  
Girl, I refuse, you must have me confused  
With some other guy  
Your bridges were burned, and now it's your turn  
To cry, cry me a river  
Cry me a river-er  
Cry me a river  
Cry me a river-er, yea yea

Oh (oh)  
The damage is done  
So I guess I be leaving  
Oh (oh)  
The damage is done  
So I guess I be leaving  
Oh (oh)  
The damage is done  
So I guess I be leaving  
Oh (oh)  
The damage is done  
So I guess I be leaving

Cry me a river  
Cry me a river  
Cry me a river  
Cry me a river

Cry me a river  
Cry me a river  
Cry me a river  
Cry me a river

Cry me, cry me  
Cry me, cry me  
Cry me, cry me  
Cry me, cry me

Cry me, cry me  
Cry me, cry me  
Cry me, cry me
