Minutes turn to hours, turn to days.
When heartache comes around, to take your place.
Why does it have to stay so long?
Forever seems to be the way for now,
But if I could bring you back to me somehow,
You make it go away, Iâ€™m sure.

Â€™Til then Iâ€™ll listen to the rain,
Falling down outside.
Iâ€™ll listen to the rain,
Feeling you, inside.

Crying is beautiful, and I remember you.
I surrender to my broken heart,
Itâ€™s all that I can do.
Crying is beautiful,
Especially when it rains.
Itâ€™s so hard to make it through,
When I remember you.

Oh, Winter turns to Summertime to fall.
Do you ever really think of me,
Are you missing me at all?
Until you let me know,
Iâ€™ll be right here.

Iâ€™ll listen to the rain,
Falling down outside.
Iâ€™ll listen to the rain,
Feeling you, inside.

Crying is beautiful, and I remember you.
I surrender to my broken heart,
Itâ€™s all that I can do.
Crying is beautiful,
Especially when it rains.
Itâ€™s so hard to make it through,
When I remember you.

Oh I can hear you call my name,
I hear it through the pouring rain.
Like echoes of a distant dream,

Holding onto me.

Crying is beautiful, and I remember you.
I surrender to my broken heart,
It's all that I can do.
Crying is beautiful,
Especially when it rains.
It's so hard to make it through,
When I remember,
When I remember,
When I remember you.
