You walked with me,
Footprints in the sand,
And help me understand,
Where I'm going,

You walked with me,
When I was all alone,
With so much unknown,
Along the way,
Then I heard you say,

I promise you,
I'm always there,
When your heart is filled
With sorrow and despair,
I'll carry you
When you need a friend,
You'll find my footprints in the sand.

I see my life flash across the sky,
So many times have I been so afraid.
And just when I, I thought I lost my way,
You give me strength to carry on,
That's when I heard you say,

I promise you
I'm always there
When your heart is filled
With sorrow and despair
And, I'll carry you
When you need a friend
You'll find my footprints in the sand.

When I'm with you,
Well I know you've been there,
And I can feel you when you say,

I promise you (you)
I'm always there
When your heart is filled (when your heart)
With sadness and despair (and despair)
I'll carry you when you need a friend (need a friend)

You'll find my footprints in the sand. (I promise you)

Ohh. (I'm always there)

When your heart is full of
Sadness and despair, (and despair)
I'll carry you when you need a friend. (I'll carry you)
You'll find my footprints in the sand.

Uhh mmhhh.
