Late at night I lie awake wishing you could be erased
from my mind

'Cause missing you is a nightmare, it's a nightmare.

And the ghost of you will never have escape,
I'm always being chased.

Everywhere I go I see your face.

'Cause I'm haunted,

'Cause I'm haunted,

'Cause I'm haunted,

Go away.

'Cause I'm haunted.

Late at night, when I go out, I feel like you're in the
crowd, watching me

You're all around, it's a nightmare, it's a nightmare.

And the ghost of you will never have escape,
I'm always being chased.

Everywhere I go I see your face.

'Cause I'm haunted,

'Cause I'm haunted,

'Cause I'm haunted,

Go away.

'Cause I'm haunted.

And the ghost of you will never have escape,
I'm always being chased.

Everywhere I go I see your face.

'Cause I'm haunted,

'Cause I'm haunted,

'Cause I'm haunted,

Go away.

'Cause I'm haunted,

'Cause I'm haunted,

'Cause I'm haunted,

Go away.

'Cause I'm haunted
