A place to crash
I Got You
No need to ask
I Got You
Just get on the phone
I Got You
Come and pick you up
If I have to

What's weird about it
Is we're right at the end
Ain't mad about it
Just figured it out in my head
I'm proud to say
I Got you

Go ahead and say goodbye
I'll be alright
Go ahead and make me cry
I'll be alright
And when you need a place
To run to
For better or worse
I Got You

In falling apart
Of...
Let's be bigger than that
And remember
That holding out don't,
Mean you're alone
We'll both survive this,
No drama no need for a show
Just wanna say;
I Got You

Go ahead and say goodbye
I'll be alright
Go ahead and make me cry
I'll be alright
And when you need a place
To run to

For better or worse
I Got You

Go ahead and say goodbye
I'll be alright
Go ahead and make me cry
I'll be alright
And when you need a place
To run to
For better or worse
I Got You

'Cause this is love that I
And nothing we can both control
And if it don't feel right
You're not losing me by letting me know

So,
Go ahead and say goodbye
I'll be alright
Go ahead and make me cry
I'll be alright
And when you need a place
To run to
For better or worse
I Got You

Go ahead and say goodbye
I'll be alright
Go ahead and make me cry
I'll be alright
And when you need a place
To run to
For better or worse
I Got You

A place to crash
I Got You
No need to ask
I Got You
