I get
This feeling inside
Whenever I see you
You give me
Butterflies
And there's nothing
I can do
The way it feels
Is just so sweet
Your touch
Your kiss it
Makes me weak
Just let me show you
This is true
Give me the chance
And I will prove

I really think
That you're the one
I want to show you
Where I'm coming from
I want to be your girl
And be the one
Who's down for you
I'd like
To get the chance
To show you that
My love is true

I know exactly why
I'm falling in love
With you
You're so gentle
So special
So masculine
It's just
Like honey to a bee
The way
That you
Have captured me
Just like a taste
Of ecstasy

You need to know
That I believe
You are the one
That makes me
Feel this way
The way
You make me feel
Just let me show you
This is true
I don't want to be
Without you
And I don't want
To live without you

I want to be the one
Let me know boy
Can I be the one
That you want
That you need
Let me know boy
Cos' I'm into you
And I want you
Cos' I need too

How can it be
That you're the one
I want to show you
Where I'm coming from
I want to be your girl
And be the one
Who's down for you
I'd like
To get the chance
To show you that
My love is true
