There's nothing I could say to you
Nothing I could ever do to make you see
What you mean to me

All the pain, the tears I cried
Still you never said goodbye and now I know
How far you'd go

[Bridge:]
I know I let you down
But it's not like that now
This time I'll never let you go

[Chorus:]
I will be, all that you want
And gather myself together
Cause you keep me from falling apart

All my life, I'll be with you forever
To get you through the day
And make everything okay

[Verse 2:]
I thought that I had everything
I didn't know what life could bring
But now I see, honestly

You're the one thing I got right
The only one I let inside
Now I can breathe, cause you're here with me

[Bridge:]
And if I let you down
I'll turn it all around
Cause I would never let you go

[Chorus:]
I will be, all that you want
And get myself together
Cause you keep me from falling apart

All my life, I'll be with you forever

To get you through the day
And make everything okay

[Ending bridge:]
Without you I can't sleep
I'm not gonna ever, ever let you leave
You're all I've got, you're all I want
Yeah

Cause without you I don't know what I'd do
I can never, ever live a day without you
Here, with me, do you see,
You're all I need

[Chorus:]
And I will be, all that you want
And get myself together
Cause you keep me from falling apart

All my life (my life), I'll be with you forever
To get you through the day
And make everything okay

[Chorus:]
I will be (I'll be), all that you want
And get myself together
Cause you keep me from falling apart

And all my life, you know I'll be with you forever
To get you through the day
And make everything okay
