Can't believe, stupid me.
That I mistook you for a good heart, strong man, who'd
understand
Probably, should've seen that you were nothing like my
dreams you bruised me-ooh
And used me
Seven nights gonna get round in circles
Seven days won't feel the same

(chorus)
My tears won't fall anymore, they try to
Gon? let this song cry
I'm gon? let this song cry
My hearts? emptied out on the floor, I give up
Gon? let this song cry
I'm gon? let this song cry
Cry, Cry, Cry, Cry, Cry, Cry, Cry
I'm gon? let this song cry
I'm gon? let this song cry

Try to scream, but my sound is comin? out
It's so silent, sadness, muting madness
My tears dry, as a bone
Although I'm well and all the well emotions
So, is broken

Every night's gon? get round in circles
Every day , still feels the same

(chorus)
My tears won't fall anymore, they try to
Gon? let this song cry
I'm gon? let this song cry
My heart's emptied out on the floor, I give up
Gon? let this song cry
I'm gon? let this song cry
Cry, Cry, Cry, Cry, Cry, Cry, Cry
I'm gon? let this song cry
I'm gon? let this song cry
Cry, Cry, Cry, Cry, Cry, Cry, Cry

I'm gon? let this song cry

I'm gon? let this song cry

Gon? let the melody wait for me
Gon? find some healing in the harmony(harmony)
Each and every cold, and every word, and every rhyme
will be my voice(my voice)
Cause right now I got no choice

(chorus)

My tears won't fall anymore, they try to
Gon? let this song cry
I'm gon? let this song cry
My heart's emptied out on the floor, I give up
Gon? let this song cry
I'm gon? let this song cry

(chorus)

My tears won't fall anymore, they try to
Gon? let this song cry
I'm gon? let this song cry
My heart's emptied out on the floor, I give up
Gon? let this song cry
I'm gon? let this song cry
Cry,Cry,Cry,Cry,Cry,Cry
I'm gon? let this song cry
I'm gon? let this song cry
Cry,Cry,Cry,Cry,Cry,Cry
I'm gon? let this song cry
I'm gon? let this song cry

Let it cry
I'm gon? let this song cry
Ohh, Ohhh
