I wanna kiss you, I wanna taste you  
I don't know how to love somebody new  
I wanna give in, I wanna let go  
I don't know how to love somebody new  
And the way I feel  
Is just the way I feel  
I want touch you, I wanna take you  
I don't know how to love somebody new  
I wanna hold you, I wanna stay here  
I don't know how to love somebody new  
It's so lonely now, it's so lonely now  
I don't know how to love somebody new  
It's so lonely now, it's so lonely now  
I don't know how to love somebody new  
It's so lonely now, it's so lonely now

I wanna do it, I wanna try this  
I don't know how to love somebody new  
I wanna go there, I wanna fall in  
I don't know how to love somebody new  
And the way I feel  
Is just the way I feel  
I want touch you, I wanna take you  
I don't know how to love somebody new  
I wanna hold you, I wanna stay here  
I don't know how to love somebody new  
It's so lonely now, it's so lonely now  
I don't know how to love somebody new  
It's so lonely now, it's so lonely now  
I don't know how to love somebody new  
It's so lonely now, it's so lonely now

Do you ever feel like you... when, whoa  
You waking at night thinking he was there, he was,  
whoa  
It's so lonely now, it's so lonely now  
I don't know how to love somebody new  
It's so lonely now, it's so lonely now  
I don't know how to love somebody new  
It's so lonely now, it's so lonely now.
