Birds of a feather
We were always together
And I never will forget
All the little things you said
And that beautiful song bird
You used to call me your love bird.

But the time went on
The wind has blown
And I've grown
And I started a feeling
And my wings have been broken

And I can't believe that I would ever want to be set free
But I just can't stay

So your lovebirds flying away
Your lovebirds flying away
'Cause my hearts been stuck in a cage
Gotta sing my song so pretty, dum dum diddy
And I miss you everyday
'Cause there's nothing left to say
Gotta sing my song so pretty, dum dum diddy

I want the world at my feet
Even if it's bittersweet
I wanna stand on my own and hold my heart in my own
hands
'Cause I've begun to see that you and me are different
breeds
So I gotta believe in, gotta get back to grieving

And I can't believe that I would ever want to be set free
But I just can't stay

So your lovebirds flying away
Your lovebirds flying away
'Cause my hearts been stuck in a cage
Gotta sing my song so pretty, dum dum diddy
And I miss you everyday
'Cause there's nothing left to say

Gotta sing my song so pretty, dum dum diddy

And you'll always be a part of me, you made me who I
am

But I gotta say, I'm not afraid to test my windspan
'cause they say if you love something let it go, let it go,
let it go

Open up again, 'cause your lovebirds flying away

So your lovebirds flying away

Your lovebirds flying away

'Cause my hearts been stuck in a cage

Gotta sing my song so pretty, dum dum diddy

And I miss you everyday

'Cause there's nothing left to say

Gotta sing my song so pretty, dum dum diddy
