He's not so man  
He's not just what I want  
He goes for me  
Tell me I'm beautifu  
(And then I'm rocking around)  
He takes me by the hand  
He makes me feel so cold  
He is my biggest fear  
(I love it when he holds me  
Knows me)  
Mr. Magic touch ( awooh)  
You can have me always, ok?  
My mr. Magic touch ( awooh)  
Mama told me  
Hold up to what you go  
If it counts free  
Then it's a real love  
So when we'll rocking around  
I'll take you by the hands  
(Tell everybody what it is)
