Somewhere over the rainbow.

Way up high.

In the land that I heard of once in a lullaby

Well, someday I'll wish upon a star

and wake up where the clouds are far behind me.

Where troubles will melt like lemon drops away above  
the chimney tops.

That's where you'll find me

Somewhere over the rainbow

Skies are blue

And the, the dreams that you dare to dream.

They really do come true.

If happy little blue birds fly

beyond the rainbow.

Why, oh, why

Can't I?
