Verse 1

my clock says 9am gotta get out of bed sunshine fills
the room and i'll be meeting him soon deciding what to
wear mums calling me from down stairs saying its a
beautiful day

when i get outside see yasmine and shes as high
everyones all smiles daylight just comes once in a
while walking down my street fasking in the summer
heat and feeling so good inside

corus

cuz everythings so perfect beautiful seen in the set
sunny breeze and a clear blue sky thats when i saw my
guy standing by eachothers side took my hands away
and fly to my paradise

verse2

now that your with me we see among the trees crystle
flowing stream like somthing in a dream then you take
my hand and whisper its a beautiful day

i can hear the birds singing the prettest tune i've herd
makes me feel free escaping in there melody and
when your with me everything fitm perfectly and it
makes me feel good inside

cours

everythings so perfect a beautiful seen in the set sunny
breeze and a clear blue sky thats when i saw my guy
standing by eachothers side take my hands away and
fly to my paradise

i'll take you there

and i'll whisk you away

come with me take my hand fly with me take my hand i
feel so free just like a dream come with me i'll take you
there

cours

now everythings so perfect beautiful seen in the set
sunny breeze and a clear blue sky thats when i saw my
guy standing by eachothers side took my hands away
and fly i'll take you to my paradise

i'll take you there
to my paradise
it's like a dream
come with me
to my paradise
to my paradise
