I was blind I was lost  
How did I find you?  
I lost drawn, pain to cost  
Tell me how did I find you?

Was it chance? Was it faith?  
Much too good to contemplate  
Now I thank God everyday  
What more can I say?

You are perfection  
That is what you are  
I see perfection  
In your faults and scars  
Because you love me  
And swear that you see  
Perfection in me  
Upon reflection, you are perfection

You were calm, you were kind  
How did I find you?  
I was out of my mind  
I don't have to remind you

But with love and with faith  
I learned it's not to late  
And I thank God everyday  
What more can I say?

You are perfection  
That is what you are  
I see perfection  
In your faults and scars  
Because you love me  
And swear that you see  
Perfection in me  
Upon reflection, you are perfection

Anyone who says there is nothing perfect in this world  
Doesn't know you they don't know you  
There is so much soul in everything you do  
Liftin me up, I can see love, unafraid

What more can I say?

You are perfection  
That is what you are  
I see perfection  
In your faults and scars  
Because you love me  
And swear that you see  
Perfection in me  
Upon reflection, you are perfection  
You are perfection
