Started on a summer Sunday
Your pink dress on the setting sun
You were going to Grandma's house, I was too scared
to come

My silly girl, I'm beggin you
Tell me all the things that I want to hear
My silly girl, I'm in love with you

I had to run to catch you,
You always moved so fast
With your cute little smile and your silly laugh,
God gave me love at last

My silly girl, I'm beggin you
Tell me all the things that I want to hear
My silly girl, I'm in love with you

They said just stay away
Right now I wish I had
I'm so in love with you, my silly girl
They made me go away

Sometimes life just isn't fair, but I'll be back someday
I hope you'll still be there

My silly girl, I'm beggin you
Tell me all the things that I want to hear
My silly girl, I'm in love with you

When you're just a silly boy like me, you're always so
scared
Now I'm just out of luck, I wonder if you ever cared

My silly girl, I'm beggin you
Don't stop being a silly girl
My silly girl, I'm in love with you

They said just stay away
Right now I wish I had
I'm so in love with you, my silly girl
