Hahhhhh hahhhhh

I would hold you forever
But the morning comes to soon
I lie awake here just to watch you breath

Sunlight on your shoulders
Cast a hacks over me
Turns a precious night into
The darkest day

If I could only stay
Stay
Could we hold each others breath
And stop the stars burning
Stay
Stay
I'd give everything I have
To stop the world from turning

Haaaaaaaaaaaaaaaa
Haaaaaaaaaaaaaaaa

Let me have this moment
Let me hide it inside your heart
Let tomorrow comes in takes it all away

Part of you will stay
Stay
Could we hold each others breath
And stop the stars burning
Stay

Stay
I'd give everything I have
To stop the world from turning

Your all I need
Your my heart
Your my soul
Your my everything
And I phase away

Part of me will stay

Ohhhhhohhhhhhhhhh

A part of you will stay

Stay

Could we hold each others breath

And stop the stars burning

Stay

Stay ooooo

I'd give everything I have

To stop the world from turning

Everything I have

To stop the world from turning

If I could only stay

Haaaaaaa haaaaaaa haaaaaaa
