Hold up  
Hold on  
Don't be scared  
You'll never change what's been and gone  
May your smile  
Shine on  
Don't be scared  
Your destiny may keep you warm

'Cause all of the stars  
Have faded away  
Just try not to worry  
You'll see them someday  
Take what you need  
And be on your way and  
Stop crying your heart out  
Get up (get up)  
Come on (come on)  
Why you scared (i'm not scared)  
You'll never change what's been and gone

'Cause all of the stars  
Have faded away  
Just try not to worry  
You'll see them someday

Take what you need  
And be on your way and  
Stop crying your heart out

'Cause all of the stars  
Have faded away  
Just try not to worry  
You'll see them someday  
Just take what you need  
And be on your way and  
Stop crying your heart out  
We're all of they stars  
We're fading away  
Just try not to worry  
You'll see us someday  
Just take what you need

And be on your way and  
Stop crying your heart out  
Stop crying your heart out  
Stop crying your heart out  
Stop crying your heart out
