Where, Where are we  
It got so misty I couldn't see  
And as you lay your head  
On this sunken bed  
Do you regret me?

Chorus:

Does my way destroy you,  
And if I knew,  
Could I stop these  
Habits of mine  
"cause When I  
Open my eyes I'd give anything to see you  
Do I drive you away with these pictures of blue?  
When I open my eyes  
I'd give anything to see you  
To see you

Do the shadows  
Brighten you when you sleep?  
I feel alive  
I'm no longer a storm  
This heart is getting warm  
Tell me  
Do you regret me?

Chorus

~Solo~

I don't have cause to hate anymore  
I'm not afraid to be alone  
Well sometimes I catch myself laughing  
And it's all because of you

When I  
Open my eyes I'd give anything to see you  
Do I drive you away with these pictures of blue?  
When I open my eyes  
I'd give anything to see you

When I

Open my eyes I'd give anything to see you  
Do I drive you away with these pictures of blue?  
When I open my eyes  
I'd give anything to see you

When I  
Open my eyes I'd give anything to see you

When I  
Open my eyes I'd give anything to see you

When I  
Open my eyes I'd give any any thing

When I  
Open my eyes I'd give any any thing
