Walls are building  
Bridges crumbling  
Summer's caving in  
Seas are rising  
And friends analyzing  
Well, someone's letting go  
And I'm somewhere in the middle of the shadows in the  
meadows  
Trying to let you know

He's somewhere out there  
Straightening his tie  
Looking for the answer  
And the question is why  
Still I love him the most  
My favorite ghost

Young boys are chasing  
Old men are racing  
Women will let them go  
Days are lazy  
London's hazy  
Where's my sullen glow

He's somewhere out there  
Straightening his tie

Looking for the answer  
And the question is why  
Still I love him the most  
My favorite ghost

Walls are building  
Bridges crumbling  
Help me let you go

He's somewhere out there  
Straightening his tie  
Looking for the answer  
And the question is why  
Still he loves me the most  
My favorite

My only  
My favorite  
My only  
Ghost
