and I'm not even close
I'm not like the rest
No, i ain't like most
So don't hold your breath
And don't count to ten.
I'm still messing up
Gonna do it again.

So lets go out late
Drink a lot
Stay up past eight and then dance
Dance all night
Leave our boyfriends behind.
Leave our boyfriends...

One hand on the trigger
and one eye out for ghosts
One foot on the floor
and one glass in the toast
We're not ready
and we're not even close
We're not like the rest
No, we ain't like most

So lets go out late
Drink a lot
Stay up past eight
And then dance
Dance all night
Leave our boyfriends behind
Leave your girlfriend behind

I've got a boyfriend
I've got a boyfriend
I've got a boyfriend

Oh, lets go out late
Drink a lot
Stay up past eight
And then dance
Dance all night

Leave our boyfriends behind

Oh lets call our friends
And pretend
We've got ages till the sun
Comes along
Till the end of this song.

Oh, lets go out late
Drink a lot
Stay up past eight
And then dance
Dance all night
Leave your girlfriends behind
I'll leave my boyfriend behind.

Oh, lets go out late
Drink a lot
Stay up past eight
And then dance
Dance all night
Leave your girlfriends behind
