Spinnin' those curlers round all day  
Her little beauty shop provides a way  
To work at home and sleep in late  
So she can dance the night away

Pilot gotta fly---eagle gotta soar  
Give a baby candy---gotta give it more  
Cowboy gotta ride---gambler gotta chance  
Vickie Vance gotta dance---Vickie Vance gotta dance

She can be dancin' to nothin' at all  
And she does a mean swing with the shadows on the wall  
Yeah and I bet she's done the two step a million times  
Yeah she drives all the boys on the dance floor wild  
Pilot gotta fly---eagle gotta soar  
Give a baby candy---gotta give it more  
Cowboy gotta ride---gambler gotta chance  
Vickie Vance gotta dance---Vickie Vance gotta dance

Oooh, she can't stand still  
Yeah, she's dancin' off the wall  
Dancin' on the window sill
