I'm dying to forget about those goodbye words you  
said  
I thought everything was right but you went and left  
instead  
No pain, no gain, well I'm not out to win  
All I really want to do is live to love again

Trying to postpone the pain - Stay in from the rain  
Buy a little time - Keep you off my brain  
Get out and go insane - Stay off mem'ry lane  
Tonight I'll be flying trying to postpone the pain

Until that day arrives  
I'll spend all my nights

Trying to postpone the pain - Stay in from the rain  
Buy a little time - Keep you off my brain  
Get out and go insane - Stay off mem'ry lane  
Tonight I'll be flying trying to postpone the pain

The best way to survive  
Is spending all my nights

Trying to postpone the pain - Stay in from the rain  
Buy a little time - Keep you off my brain  
Get out and go insane - Stay off mem'ry lane  
Tonight I'll be flying trying to postpone the pain
