Could be, who knows  
There's something due any day  
I'll know right away, soon as it shows

It'll make a cannonball down from the sky  
Gleam in it's eye  
Bright as a rose, who knows

It's only just out of reach  
Down the block, on the beach  
Under a tree

I've got a feeling there's a miracle due  
Gonna come true  
Coming to me

Could it be, yes it could  
Something's coming, something good  
If I can wait

Something's coming  
I don't know what it is  
But it is gonna be great

With a click, with a shock  
Phone'll jingle, door'll knock  
Open the latch, something's coming

Don't know when but it's soon  
Catch the moon  
One-handed catch

Around the corner  
Or drifting down the river  
C'mon deliver to me

Will it be, yes it will  
Maybe just by holding still  
It'll be there

Come on something  
Come on in, don't be shy

Meet a guy

Pull up a chair  
The air is humming  
And something great is coming

Who knows, it's only just out of reach  
Down the block, on the beach  
Maybe tonight
