lyrics by Betty Comden and Adolph Green
music by Leonard Bernstein

I'm eager to share my love and devotion,
Its deep as the ocean.
I've plenty to spare and since its ample
I'll throw you a sample.

I will fix you up on the spot,
So forget the things you have not.
Can't you see, kid, what a very rare treasure you got?

Ya got me, baby, ya got me!

You got my affection, baby, and sympathy.
You got my whole muscular equipment, from A to Z,
And its free, baby, its all free.
Its all free, its all free, its all free.

Ya got me, Gabey, ya got me!
You got my enthusiasm on the land and sea.
Whoop! Whoop! Whoop!
You got my whole knack of getting ladies,
It can't be beat, And its free, Gabey, its all
Its all free, its all free, its all free.

I'm filled to the eager affection That seeks a direction
My vigor and vim leave no one excluded
And you are included.
I will get you out of your lull
You won't feel unwanted or dull,

If you'll get this through that normal, Neanderthal skull.
Ya got me, baby, ya got me!
You got my extensive knowledge of anatomy.
You got my whole interest in mankind of every breed
And its all free, baby, its all free.

Its all free, its all free. Ya got me, Gabey, ya got me!
You got a guy who always functions Systematically.
You got my whole family in Peoria, for you to see!

And its free, Gabey, its all free.

Its all free, its all free, its all free.

Ya got we, Gaby, ya got we!

You got a date with Lucy Schmeeler, girl of mystery.

You got her whole reservoir of passion

To fill your need, And its free, Gabey, Without fee,

Gabey, Cant you see, Gabey,

Its all free. Ya got he! Ya got we!

Ya got she! Ya got we!
