There's something that I'm watching  
Means a lot to me  
There's something that I'm watching  
Means a lot to me

It's a broken banjo bobbing  
On the dark infested sea  
It's a broken banjo bobbing  
On the dark infested sea

Don't know how it got there  
Maybe taken by the wave  
Don't know how it got there  
Probably taken by the wave

Of the someones shoulder  
Or out of someones grave  
Of the someones shoulder  
Or of the someones grave

It's coming for me darling  
No matter where I go  
It's coming for me darling  
No matter where I go

Its duty is to harm me  
My duty is to know  
Its duty is to harm me  
My duty is to know

There is something that I'm watching  
Means a lot to me  
There is something that I'm watching  
Means a lot to me

It's a broken banjo bobbing  
On the dark infested sea  
It's a broken banjo bobbing  
On the dark infested sea
