I loved you in the morning  
Our kisses deep and warm,  
Your head upon the pillow  
Like a sleepy golden strom.  
Yes, many loved before us  
I know that we are not new,  
In city and in forest  
They smiled like me and you,  
But now it's come to distances  
And both of us must try,  
Your eyes are soft with sorrow,  
Hey, that's no way to say goodbye.

I'm not looking for another  
As I wander in my time,  
Walk me to the corner  
Our steps will always rhyme,  
You know my love goes with you  
As your love stays with me,  
It's just the way it changes  
Like the shoreline and the sea,  
But let's not talk of love or chains  
And things we can't untie,  
Your eyes are soft with sorrow,  
Hey, that's no way to say goodbye.

I loved you in the morning  
Our kisses deep and warm,  
Your head upon the pillow  
Like a sleepy golden strom.  
Yes, many loved before us  
I know that we are not new,  
In city and in forest  
They smiled like me and you,  
But let's not talk of love or chains  
And things we can't untie,  
Your eyes are soft with sorrow,  
Hey, that's no way to say goodbye.
