In my secret life  
In my secret life  
In my secret life  
In my secret life

I saw you this mornin'  
You were movin' so fast  
Can't seem to loosen my grip  
On the past

And I miss you so much  
There's no one in sight  
And we're still makin' love

In my secret life  
In my secret life

I smile when I'm angry  
I cheat and I lie  
I do what I have to do  
To get by

But I know what is wrong  
And I know what is right  
And I'd die for the truth

In my secret life  
In my secret life

Hold on, hold on, my brother  
My sister, hold on tight  
I finally got my orders  
I'll be marching through the mornin'  
Marchin' through the night  
Movin' 'cross the borders of my secret life

Looked through the paper  
Makes you want to cry  
Nobody cares if the people  
Live or die  
And the dealer wants you thinkin'  
That it's either black or white

Thank God it's not that simple  
In my secret life

I bite my lip  
I buy what I'm told  
From the latest hit  
To the wisdom of old

But I'm always alone  
And my heart is like ice  
And it's crowded and cold

In my secret life  
In my secret life  
In my secret life  
In my secret life

In my secret life  
In my secret life  
In my secret life  
In my secret life
