You were the promise at dawn,  
I was the morning after.  
You were jesus christ my lord,  
I was the money lender.  
You were the sensitive woman,  
I was the very reverend freud.  
You were the manual orgasm,  
I was the dirty little boy.

And is this what you wanted  
To live in a house that is haunted  
By the ghost of you and me?

Is this what you wanted ...

You were marlon brando,  
I was steve mcqueen.  
You were k.y. jelly,  
I was vaseline.  
You were the father of modern medicine,  
I was mr. clean.  
You where the whore and the beast of babylon,  
I was rin tin tin.

And is this what you wanted ...

And is this what you wanted ...

You got old and wrinkled,  
I stayed seventeen.  
You lusted after so many,  
I lay here with one.  
You defied your solitude,  
I came through alone.  
You said you could never love me,  
I undid your gown.

And is this what you wanted ...

And is this what you wanted ...

I mean is this what you wanted ...

That's right, is this what you wanted ...
