Sleep, baby, sleep  
The days are on the run  
The wind in the trees  
Is talking in tongues

If your heart is torn  
I don't wonder why  
If the night is long  
Here's my lullaby  
Here's my lullaby

Well, the mouse ate the crumb  
Then the cat ate the crust  
Now they've fallen in love  
And they're talking in tongues

If your heart is torn  
I don't wonder why  
If the night is long  
Here's my lullaby  
Here's my lullaby

Sleep, baby, sleep  
There's the morning to come  
The wind in the trees  
They're talking in tongues

If your heart is torn  
I don't wonder why  
If the night is long  
Here's my lullaby  
Here's my lullaby
