What I'll give you since you asked is all my time
together
Take the rugged sunny days, the warm and rocky
weather
Take the roads that I have walked along
Looking for tomorrow's time, peace of mind

As my life spills into yours changing with the hours
Filling up the world with time, turning time to flowers
I can show you all the songs
That I never sang to one man before

We have seen a million stones lying by the water
You have climbed the hills with me to the mountain
shelter
Taken off the days one by one
Setting them to breathe in the sun

Take the lilies and the lace from the days of childhood
All the willow winding paths leading up and outward
This is what I give
This is what I ask you for nothing more
