I cannot follow you, my love  
You cannot follow me  
I am the distance you put between  
All of the moments that we will be

You know who I am  
You've stared at the sun  
Well I am the one who loves  
Changing from nothing to one

Sometimes I need you naked  
Sometimes I need you wild  
I need you to carry my children in  
And I need you to kill a child

You know who I am  
You've stared at the sun  
Well I am the one who loves  
Changing from nothing to one

If you should ever track me down  
I will surrender there  
And I will leave with you one broken man  
Whom I will teach you to repair

You know who I am  
You've stared at the sun  
Well I am the one who loves  
Changing from nothing to one

I cannot follow you, my love  
You cannot follow me  
I am the distance you put between  
All of the moments that we will be

You know who I am  
You've stared at the sun  
Well I am the one who loves  
Changing from nothing to one
