[Chorus]

This ones for them boys with the drugs in they house  
This ones for them boys with the slugs in they mouth  
This ones for them boys with the taps on they phone  
They know the halves on they zone, and peelin caps with  
the chrome  
This one's for them boys! (Dirty hoodlums!)  
This one's for them boys! (Hustlin!)  
This one's for them boys! (Dirty hoodlums!)  
This one's for them boys! (Hustlin!)

[Esham]

This is for the ones that's making cheddar, that fetty,  
all about they hussle  
Make a Def Jam out in the streets, without Russel  
What's so strange is that I came in this game  
With the 1, 2 "Bang Bang", make your brains hang  
and it is a thang Bitch, better have my muthafuckin  
fetty  
Before I put this mm-mm to your head and make your  
shit look like spaggetti  
Y'all ain't ready, the hatchet slit you like a machete  
Left hand bust the roscoe, right hand hold the whip  
steady

[Violent J]

This ones for the boys from the darkest corners  
To the streets of Hell, these boys ain't no foreigners  
And warrin' is every day, and the cost ain't soft  
Even when they miss, you still get a shoulder blown off  
This ones for the boys who chew hollow tips like gum  
And wash it down with everclear cause the care ain't  
there  
And these boys be the bad guys, and cant switch  
They put a bullet clean through your head and into your  
bitch

[Chorus]

[Esham]

This is for them boys up all night, stuffing wax packs

with heroin  
Up on the block straight doing the Aero Flyn  
Gettin money, everything you wear brand new  
Pockets stay lumpy like grandma's stew  
When you true to the game, the game will be true to  
you  
What up though, you're ghost if I say so  
Guns and ammo - I buy em buy the caseload  
Then I get you hit for fifty pesos

[Violent J]

This ones for this boy, a killjoy  
Chick toy, shit, boy, I'm sick, boy  
Click-bang go the 4-4, off go the shell  
There go the po-po off into Hell  
Oh well, I'm in motel, Hotel Six  
And I got your chick on the tip of this dick  
Now she taking it in, sinking it in, her titties I'm shakin  
'em  
And I don't know when I'm be done

[Esham]

Then I'm a be busting my gun this ones for the boys  
saying fuck the 5-0  
Fuck the 5-0 when it's all about survival  
Talkin to my pistol don't help  
My shotgun said "blasphemy" until I shot on myself  
This one's for the money figures, the go-getters, ice-  
rockers  
Twenty-four seven non-stoppers  
This ones for the pill poppers  
Eh yo fuck that, this ones for the head-choppers

[Violent J]

This one's for the people livin down in them sewer  
pipes  
Makin a living off of all that ain't right  
And this is for them witches that was tied to stakes  
And for the killers that have seen me after death  
shakes  
And them peddlers on the corner when it's ice-cold  
And dead bobbies on the side of the road  
This is for that part of the city that everybody warns  
about  
Where throats get torn out

[Chorus]
